

# Open Source Software Disclosure

Certain portions of this application contains third-party code licensed to Softek for use and redistribution under open-source licenses. Below is a list of disclosures and disclaimers in connection with Softek's incorporation of certain open-source licensed software into its services. Notwithstanding any of the terms and conditions of your license agreement with Softek, the terms of certain open-source licenses may be applicable to your use of the Softek software, as set forth below.

The list of third party licenses may not be complete and may be updated from time to time. Softek reserves the right, at its sole discretion, to modify, replace, or add to any part of this list. It is your responsibility to check the list periodically for changes. Your continued use of or access to the Website following the posting of any changes to the list constitutes acceptance of those changes.

All information here is provided "as is." Softek and its suppliers make no representations or warranties, express or implied, with regard to this list or its accuracy or completeness, or with respect to any results to be obtained from use or distribution of the list. By using or distributing this list, you agree that in no event shall Softek be held liable for any damages whatsoever resulting from any use or distribution of this list, including, without limitation, any special, consequential, incidental or other direct or indirect damages.
